What a Flashy Girl!

Petina has lovely penciled fleeces, ranging from gold to nearly every shade of fawn, and then fading to beige on her topknot and belly. Always one to relish a scratch under the chin, Petina's gentle disposition shines through. Petina has good confirmation and a strong build. She has excellent ancestry, with her grandfather Cantano of Peru being sold for \$265,000 in 2003. She gave birth to her first cria, Makeanu's Basquiat, in July 2010, and she was a rock star! The entire birth took about 20 minutes during which time she took snack breaks! She has proven to be an attentive mother and has had an easy time nursing. As all breeders know, a female who has an easy time birthing and nursing is quite valuable.

Petina will be sold with a breeding to our herdsire, Makeanu of PVA, a 3rd Generation Champion.
